

Sponsor a Pane

The Parish of St. Michan's in Halston Street is offering you a chance to be remembered forever as part of the oldest parish in the diocese – a parish which has been a significant part of the city for over nine centuries and a significant part of our history.

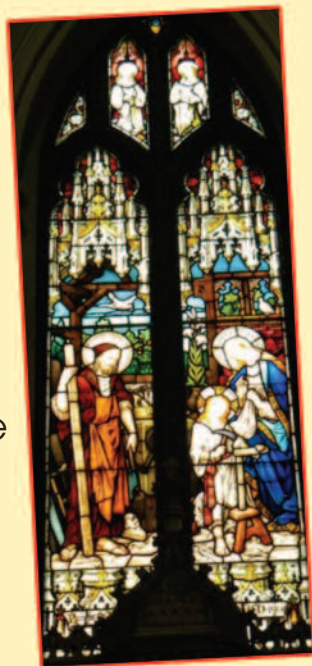

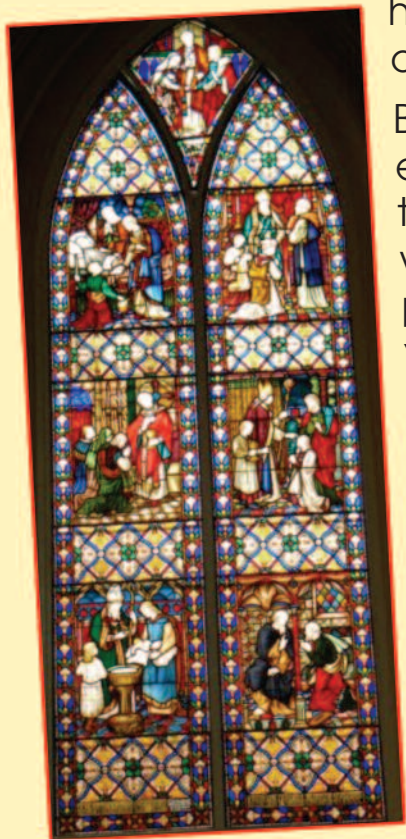

For only €100 you can **'Sponsor a Pane'** in our stain glass windows and help with the cost of restoration.

Be part of this exciting project to restore these windows in our parish church.

Your donation and name will be recorded in the parish **'Sponsor a Pane'** register for future generations.
