

# Parish Directory of Services

Wherever there is charity and love, God is  
there."

**Launched on Sunday 29<sup>th</sup> June, 2003**

Over the past few months the parish pastoral team of Halston Street and Church Street have been compiling a directory of services that are available to parishioners in the area. There are now close to 300 entries in the directory covering a range of services under headings such as health, childcare, community, information, religious, residents' associations, education and so on.

One of the goals which the team set itself for the year 2002-03 was "to facilitate in the parish, growth in awareness that Jesus Christ is at work in and through the daily activities of the community."

In other words, our goal was to illustrate, in some concrete way, that in the course of their daily lives both at home and at work, all members of the community exercise a ministry of service to one another. This ministry is as much an expression of the Spirit of God at work in the world as ministries more explicitly associated with the Church.

Consequently, the directory, which will be launched on Sunday 29<sup>th</sup> June 2003 in the Sacred Heart Hall, is not merely a list of what's available to Halston Street & Church Street parishioners, but an insight into how the Spirit of God is working in and for the community.

The parish pastoral team would like to thank everyone who helped in its compilation and publication. Copies will be available from Monday 29<sup>th</sup> June at the parish office in Church Street for a nominal fee to cover costs of production.
